WOODEN FLOORING

This room features elegant wooden flooring with a rich, dark brown hue that exudes warmth and sophistication. The planks are wide and arranged in a traditional horizontal pattern, enhancing the room's spacious feel. The smooth finish of the wood showcases subtle variations in the grain, adding character and depth. Natural light streaming through the windows reflects off the glossy surface, highlighting the floor's natural beauty. The flooring complements the room's rustic yet refined decor, which includes a wooden dining table, chairs, and cabinetry. Decorative elements like lamps and plants further enhance the room's charm. This type of flooring is likely made from durable hardwood, known for its longevity and resistance to wear. The dark color helps to conceal dust and minor scratches,
